

LANDSCAPERS

Your quote

Considered estimate based on your brief.

Scope of work

We propose to replace your existing lawn with new rolled turf, install new weatherproof wood fencing enclosing the garden, and lay new paving stones near the house. Our team will ensure these areas are beautifully finished to enhance the overall appearance of your outdoor space.

ESTIMATED START

13 July 2026

DURATION

6 person-days

TOTAL (INC VAT)

£16,000.00

Line items

	Subtotal		£15,188.00
	VAT (20%)		£3,037.60
	Total		£16,000.00

Assumptions

- Customer to grant skip access on specified dates.
- Standard ground conditions expected; no major underground services.

- Welfare facilities to be available to the crew.

Exclusions

- Replacement or treatment of any unforeseen structural elements found during excavation.
- Watering of the new lawn post-installation beyond the initial water-in.
- Repairs to any existing garden features not specified.
